| <p>REFW 12872, 2 August 1961</p> <p>It is suggested that you may wish to consider use of KUBARK device described in reference in connection with surveillance of UJDBOWSY. There would appear to be no problem about its use in connection with UPHILL since there is none with regard to CAVATA. Further, [] suggests that the matter of access to UJDBOWSY's automobile might perhaps be met simply by stealing the car for 24 hours, after which time the police could conveniently find it for return to its owner.</p> <p style="text-align: center;">[]</p> <p>DISTRIBUTION</p> <p>2 - FSB 2 - COS 2 - MLB</p> <p style="text-align: right;">We are not, of course, suggesting that KUBARK steal it.</p> <p style="text-align: center;">[]</p> <p style="text-align: right;">DECLASSIFIED AND RELEASED BY CENTRAL INTELLIGENCE AGENCY SOURCE METHOD EXEMPTION 3826 NAZI WAR CRIMES DISCLOSURE ACT DATE 2005</p> <p style="text-align: center;">CS COPY</p> | | | | | |
